The class of 1977 is pleased to dedicate this year's yearbook to Mr. Gerald Gerolamo and Mr. Leroy Hazelton, the class advisors. They gave their time, patience and understanding even when things looked hopeless. Events that seemed impossible became reality with their encouragement.

What you have given to us can never be put into words. So we give this yearbook to you, it's a phase of our life you were part of. Thank you so much for four wonderful years.

"You were my wings when I was learning to fly."

SENIORS

... are hard workers.

... have class spirit.

... are patriotic.

... have class.

... are organized.

SENIORS

Senior Class Officers

Susan Johnson, Historian; Bettina Malonson, Treasurer; Benjamin Merrill, Vice President; Elizabeth Flanders, President; Mona Minor, Secretary.

Senior Class History

Money! If the Class of '77 is not to be known for anything else, we will always be remembered as the most financially successful class ever to graduate from M.V.R.H.S.

As soon as we took our first step into the Regional in the fall of '73, our advisors, Gerry Gerolamo and Leroy Hazelton, set us straight on what was to be expected of us.

We held actual election campaigns for Freshman officers and initiated the concepts of Homeroom Representatives and monthly class meetings.

Our President was Mary Oliver; Vice President was Rob Hewett; Treasurer was Ben Hall; and Secretary was Mary Fragosa. James Kelly and Cindy Grant were voted Mr. and Miss Freshman Class.

For the first of what was to be a LONG line of unusual money-making schemes, we held a "Nickel Day," during which nickels were strewn over the football field. We also sponsored a shopping trip to Boston for all the students.

By our Sophomore year, we were richer than all the other classes and plunged into projects that would unite our whole class. We held a "Gum-Ball in Jar" contest, a chain saw raffle, and a dance at the Regional with a live band called "Goodnight Louise."

Our President was Mary Fragosa; Vice President was Cindy Grant; Treasurer was Susan Johnson; Secretary was Beth Ryder; and Historian was Liz Burnham.

We also sponsored another trip to Boston, a Valentine Dress-up contest, a Lasagna dinner, and a 10-speed bike raffle, not to forget assorted refreshment and bake sales.

James Kelly and Cindy Grant were voted Mr. and Miss Sophomore Class.

In 1975-76, we were Juniors and could relax with a few thousand in the bank.

Our President was Jenifer Crowell; Vice President was Mary Oliver; Treasurer, was Tina Malonson; Secretary was Martha Fisher.

Our advisors almost spoiled our unique record of being first class possessing the same advisors for all four years by suggesting that we fly alone.

So we organized a Sadie Hawkins Dance, with a live band called "Skyland Band," two record hops, with Bill Rossi of W.R.K.O., and, of course, the Prom.

To catch student's attention, we held an Ugly Face contest, a Hat Day contest, a Junior Class Horse Show, and a St. Patrick's Day Dress-up. We sponsored yet another trip to Boston, a Lasagna dinner, sold Dairy Queen Discount books, and held a "Clean-mile, Car-wash Day." A lady in Nebraska sent us \$250 after reading a follow-up in the Gazette about "Clean-a-mile."

Two Junior girls, Jenifer Crowell and Susan Johnson, received summer scholarships to foreign countries. Although Susan did not go because of family circumstances, Jenifer did go to Sweden and had a great summer.

Now, in the fall of '76, we are seniors. Without getting too sentimental, we know we have all traveled a great deal in many ways since that fall of '73, and we have been reasonably united enough to accomplish a large amount throughout our "career" here at Regional. We participated in the development of the Drama department, some of us starring in, and a lot of us actually involved in, all of the plays it produced. We outnumber the underclassmen in sports teams, in Chorus and Band, and in Student Government.

If the teachers won't miss us, certainly everyone else will!

Susan E. Johnson

Historian, Class of '77

"Love and doubt have never been on speaking terms."

Lolita Mae Jeffers

"Lo"

To fulfill the need to be who I am in this world is all I ask, I can't pretend to be something that I'm not and I won't wear a mask.

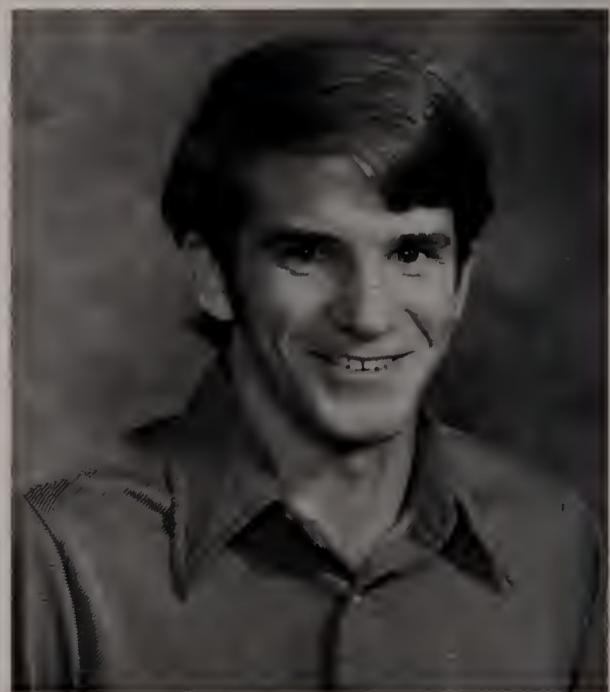

When people touch my face with love in their eyes, I often wonder if they can touch my heart with the understanding that it takes to realize that I just can't play a part.

I have a need to be true to myself and make my own mistakes; I don't want to lean too hard on someone else no matter what it takes.

I'm not fool enough to ever think that I can be the master of my fate, but it's up to me to choose my roads in life, although, rocky may be the ones I take.

I have a need to be something more than just a reflection of a man. I can't survive in someone's shadow, I need my very own little spot to stand because I am what I am and I have the need to be me.

The Field Hockey season was a fine one; our record was 9-3-1, which put us in second place. The team was a very close one. That helped us get to where we did. We couldn't attain this goal without the help of our coach, Mrs. Shemeth. The snow, the rain, the bruises and the pain made our achievement worthwhile in the end. The seniors and the coach wish the future Field Hockey players the best of luck in the future. Thanks for the wonderful season and the memories it has left in our minds.

Even though the 1976-77 version of Martha's Vineyard Basketball has not enjoyed the success that it is accustomed to, it still came out on top of a winning season. From the thrilling two-point loss to league-leading Harwich to the astounding 104-101 setbacks at the hands of Nantucket, it was an exciting winter of basketball. When it is taken into account that the team boasted no returning lettermen from last year's Cape and Island Championship squad and that it is losing only four seniors through graduation, the outlook for the coming years is very bright.

Peter DeBettencourt
Dale Rogers
Co-Captains

This has been a great year for our team, taking the League Championship once again with a league record of 13-1, and with an overall record of 15-1. We've qualified for tournament at the time of this writing and hope to do well. The Junior Varsity has a rough time in the beginning but ended the season as a very strong team. The best of luck to next year's teams and to Coach Nute.

American Field Service

American Field Service is a program that uses the enthusiasm and ideals of young individuals to bring a constantly changing world together.

This year our A.F.S Club has made a small break-through. Although we did not send a student abroad or host a foreign student, we have publicized A.F.S. through a few activites appealing to the community and the students.

During the fall a group from Cape Cod, including a boy from Italy, a girl from Norway, and a summer returnee from Denmark, came to MVRHS. These people, along with two Islanders, Bruce Blair, Returnee from Japan 1975-76, and Jenifer Crowell, Summer-returnee from Sweden, 1976, spoke to the social studies classes about their A.F.S experiences, giving students in our high school greater awareness of A.F.S. in the school and the world.

The annual A.F.S. fleamarket, held in November, was a congenial and profitable day. Many people attended as buyers and sellers of crafts and foods. Children especially enjoyed the puppet show.

The club has gained several new underclassmen who have contributed their efforts. Together, we are planning a dance in March so that expenses may be met for our short-term exchange with students from Virginia in May.

A.F.S. is now working towards finding an Island family who is willing to have a foreign student live in their home this coming school year. We would also like to see more students interested in participating in an exchange program — summer, domestic, or full-year abroad. Through either experience both the individual and MVRHS students would gain knowledge of others by sharing and caring. This is one of the prime goals of the American Field Service.

Student Council

This year the Student Council held the Southeastern Massachusetts Student Council Convention on the Island. Two hundred student council members and their advisors from the Southeast Region came to the Island for a day-long meeting about the Regional Council. We held workshops; they were run by Island representatives. The convention ran very smoothly, and we were very impressed with the way our council can work together. We have been an active group this year, our main objective being the modification of school rules. We have enjoyed ourselves and have learned much from being members of the Student Council. We hope that the Council will be even more effective in years to come.

Cindy Grant, President
Cindy Brown, Secretary

Music Department

The members of this year's music department showed great ability. Timothy Barritt and Daniel Siktberg received the honor of being in the South East Music Festival vocally. Rob Hewett received the recognition of playing in the All State Festival and Christopher Allen was accepted to the All Eastern Music Festival.

We had a band and chorus exchange with Lebanon, New Hampshire; and the Minnesingers went on tour with Madison, Connecticut.

It has been a good four years for the seniors, and we hope the coming years will be as good.

Looking down the halls of days gone by,

Memories of past experiences

Some are good, some are bad,

Some happy, some sad,

But all are part of our lives.

We will remember teachers

Friends, studies, sports, music,

Activities and leisure.

With the help of the past

And the knowledge of the present,

We will hope for a better future

Wherever it will lead us.
